Fire Prevention Permits

Effective, September 1, 2013, the North Andover Fire Department will issue all permits between the hours of 0700 to 1000 and 1230 to 1400. The Fire Prevention Officer will be available Tuesday through Friday during these hours to answer any questions that you may have as a result of the new smoke and carbon monoxide laws. It is our hope that this will make the permitting process a more enjoyable one.
